Clean Version of Amendments

Page 1, after the title, please insert this paragraph:

--This application is a continuation of U.S. Patent

Application Serial No. 09/250,349, filed February 16, 1999, the

entirety of which is incorporated herein by reference.--

Please amend claims 21-23 to read:

21. A method of caching data for a direct access

storage device having a plurality of addressable locations,

comprising the steps of:

storing, in a cache memory having a total available

memory capacity, copies of data retrieved from said direct access
